

About

About BOMB

Vision/Purpose - BOMB (BELIEVERS ON MOUNTAIN BIKES) is a ministry of Cornerstone Community Church . We are first and foremost an outreach ministry. Sharing the Gospel of Jesus Christ. We desire to give every individual an accurate picture of God. We also want to help those who believe to become fully devoted followers of Christ. Our intent is to expand the Gospel of Jesus Christ our Lord, through people who mountain bike. Thereby, bring the word to those who are not Christians, encouraging ongoing fellowship, and presenting the opportunity for all of us to develop a personal relationship with Christ. Being a "bike club" has never been a goal or the purpose of BOMB. BOMB started in Simi Valley, California in 1997. Since that first group was formed, God has continued to raise up new leaders around the world.

The BOMB Team As you might have guessed the people behind BOMB are volunteers using their time and energy working to make BOMB a success. We look to God daily to guide our path and fully understand none of this would be possible without him.

If you need help or have questions please send us an email and we'll do our best to help you.[More BOMB Information](#)

Membership/Riding with BOMB - There are NOT any fees, secret handshakes or special requirements. We do ask that you to wear a helmet on all rides.

Starting your own BOMB chapter -

If you feel you are interested in starting a BOMB there are a couple of first steps before you contact us. The first item you'll need is a co-leader. A co-leader is someone who shares the same passion with you and is interested in helping you lead a BOMB group. Once you find that co-leader the two of you should read over our Statement of Faith. <http://www.ridedirt.com/SOF.pdf>

Once you've gotten your co-leader and read over the SOF, then send us an email letting us know and we can get the ball rolling. If you have any questions please send us an email and please be specific with your questions. Thank you.
