Co-Leader: Ray Kembel raykembel@elkriver.biz

Co-Leader: Mike Turnbow miturnbo@cisco.com

Collin County BOMB is a low key group of Christian riders wanting to provide a positive message and influence on the trail. We do group rides for all skill levels in and around the Dallas area. Most often, you will find us at Erwin Park , RCP, Isle De Bois and occasionally the North Shore at Grapevine. Let us know if you would like to be included on the email distribution list as we usually send out an email a couple of days before every ride.
